Entry £1 - Cash Prize

For only £1 per week **The Brakes Lottery** gives you the chance to earn a **BIG** cash prize.

All monies raised will go directly towards the Brakes 12th Man Scheme.

Is there an age restriction? Yes, players must be over 16 years of age.

How does it work? Easy. Simply choose how many chances you want to purchase for the weekly draw. You will be allocated a unique pair of numbers from 1 to 59 for each chance. If your numbers are the first two numbers drawn in the Saturday UK National Lottery 'Lotto' Draw in the correct order, **you win**.

How much can I win? The prize fund will be 50% of entry fees for each draw. If there are no winners, then the prize fund will rollover to the next draw until won (up to a max £25,000).

How do I pay? Each entry costs £1, payable by one of the following ways:

- Cash/Cheque payable to 'Brakes Lottery' (minimum 6 months)
- Standing order, either monthly, quarterly, half-yearly or annually. (Simply complete and return the mandate opposite).
- Internet Banking (Use details on standing order mandate)

We will acknowledge your application and forward the standing order mandate to your bank for processing (if applicable). As soon as we receive your first payment you will be sent your unique pair of numbers and you will be included in the next draw.

If you have any queries or problems completing the form, call or text the Brakes Lottery helpline on 07598 133125, or e-mail lottery@leamingtonfc.co.uk
