

Evesham United is currently playing at the home of Worcester City FC.

St George's Lane

**WR1 1QT**

The ground is located at Barbourne, a suburb on the north side of the city, and lies between the A38 and the Worcester and Birmingham Canal.

### **By Road:**

Leave the M5 Motorway at Junction 6 (Worcester North) and follow the A449 road (dual carriageway) towards Worcester passing the Six Ways Rugby ground on your right. Carry on until you get to the first roundabout and turn left into Worcester. After about one mile turn right at T-Junction traffic lights. St George's Lane is then third turn on the left. There is no club car park so park where you can but please do not block entrances etc.

### **By Rail:**

Nearest stop is Worcester Foregate Street. Exit via the long flight of steps and turn right onto Foregate Street. Carry on up this road past the Shirehall, Alice Ottley School and Royal Grammar School until you reach St George's Lane where you turn right for the ground. Total distance is about one mile.
